

Chairman's letter

Selection was held on Saturday 23rd July and a great number of artworks were submitted for the panel to consider.

Selection is carried out anonymously with no discussion by the panel. Names of artists are not disclosed. Voting cards are then shown to the tellers to count and record.

Artworks with a majority of votes are selected for the exhibition.

I know some members will be disappointed if their artwork has not achieved the required votes. We do offer an 'Easel party' in November where members can bring their artwork and discuss where it may have failed to get votes. Please do consider this and come and join us there.

I would like to thank everyone who was involved in the day, which was managed very efficiently.
