

Chairman's letter

We have had a busy month with the first physical selection for the Munnings exhibition.

It was so good to see so many of you and be able to catch up.

We are sure that the exhibition will be an excellent one and, now we know that restrictions will have eased considerably we are looking forward to welcoming you.

I must apologise that I did not mention Alice Wilton who was another of our members whose artwork was accepted by the IEA last month.

Congratulations to you.

It is with regret that Council have had to take the decision to cancel the exhibition in October at St. Margaret's Church, but we are now planning 2022, when we will have exhibitions in the Forum, Norwich, Munnings Museum and Wells Maltings.

Watch this space.
