

NNAC October 2023

Chairman's letter

This month, with regret I have to tell you that Geoffrey Burrows who was a highly respected member of the Art Circle has died. Known for his exquisite paintings locally, he had exhibited at the Royal Academy many times and his beautiful work was created with the delicacy and sureness of an artist at the peak of his creativity whose skill was greatly admired. I'm sure that all our members will join me in sending our deepest sympathies to his family and friends at this sad time.

Geoffrey's funeral is to be held on 19th October at Horsham St Faith Church. The Open Studios event for this year is nearly finished, I hope all those taking part have had an enjoyable and successful time, as we head towards winter now is the time for us to take stock of our art this year and maybe make plans for some new and exciting work. I think it is a good idea to be adventurous as an artist and not just

continue what we are doing just because that is what we know will work. Spreading your wings, maybe trying a new medium or a new way of looking at things can be so exhilarating and possibly rewarding. I hope to see many of you at this year's easel party, keep an eye out for details, this is a chance to meet fellow members and chat about art or the weather, whatever you like. A chance encounter on an occasion like this can be fun and maybe open new avenues for you.
